MHSA INN									
INN-01	Early Childhood Universal Screening Project - The aim of this 24 month project is to develop a model to increase access to services and improve outcomes by strengthening the screening and referral process for young children with developmental concerns and social-emotional delays. This project will test whether the implementation of multi-language electronic developmental screening tools and audio/visual components in a pediatric clinic provides an economic, low cost, and effective method for linking parents and their children to mental health and other indicated services.	\$254,670	\$472,694	\$727,364	\$254,670	\$472,694	\$727,364	\$0	Refer to Attachment A and C.
INN-02	Peer-run TAY Inn - The aim of this 36-month project is to increase access to services and improve outcomes for high-risk, transition age youth in a voluntary 24-hour care setting. The project model proposes the implementation of an innovative 24-hour service that involves a significant expansion of the role of TAY employees in decision-making and provision of program services.	\$1,251,053	\$105,000	\$1,356,053	\$1,251,053	\$50,000	\$1,301,053	(\$55,000)	Refer to Attachment A and C.
INN-03	Co-Occurring Mental Health Disorders in Adults with Autism & Developmental Disabilities - this project will test an assessment model for determining the extent of concurrent psychiatric and developmental disabilities and will explore models of effective treatment for individuals challenged by these dual conditions.	\$411,282	\$0	\$411,282	\$0	\$0	\$0	(\$411,282)	Refer to Attachment A and C.
INN-04	Elders' Storytelling Project (Previously named the Merging the Old with the New Project) - This project develops a model to increase the quality of services for isolated older adults by adapting a culturally-based "story-telling" approach that capitalizes on the traditional role of older adults as transmitters of cultural wisdom and values. The core service will be provided by community workers through a 12-week curriculum where the older adult, in the company of family members and caregivers, is elicited to reminisce on his/her life and express and capture significant memories and personal accomplishments.	\$388,042	\$40,000	\$428,042	\$388,042	\$0	\$388,042	(\$40,000)	Refer to Attachment A and C.

INN-05	Multi-Cultural Center - Multi-Cultural Center (MCC) - This project is designed to increase access to underserved and inappropriately served ethnic minorities by housing activities and services for multiple ethnic communities in Santa Clara County. MCC will provide an opportunity for ethnic minority community coordinators to collaborate in identifying and initiating multi-cultural approaches to successfully engage individuals in mental health services in a culturally sensitive manner and find sensitive ways to combat stigma and internalized oppression.	\$724,567	\$75,000	\$799,567	\$424,567	\$75,000	\$499,567	(\$300,000)	Refer to Attachment A and C.
INN-06	Transitional Mental Health Services for Newly Released Inmates - The aim of this 36-month project is to develop a model that examines whether the organizational support of the Mental Health Department provided to an inter-faith collaborative and coordination and collaboration with other service providers/advocacy groups increases the capacity of faith organizations to serve newly-released inmates and improve outcomes (symptom management; relationships; work/meaningful activities; and satisfaction with service).	\$492,264	\$0	\$492,264	\$492,264	\$250,000	\$742,264	\$250,000	Refer to Attachment A and C.
INN-07	Mental Health / Law Enforcement Post Crisis Intervention - The aim of this 24-month project is to develop a model to improve mental health crisis resolution and engagement in services for individuals and their families who experience law enforcement-involved acute mental health crises through the provision of compassionate and timely post-crisis services that include post-event visits (within 24-hours) from a team that includes a peer/family mentor and mental health clinician; follow-up support and linkage services; and debriefing with law enforcement liaisons, consumer/family mentors and clinical staff to continually inform the effectiveness of service.	\$625,420	\$0	\$625,420	\$0	\$0	\$0	(\$625,420)	Refer to Attachment A and C.
INN-08	Interactive Video Scenarios Training - is a unique new application of Interactive Video Simulation Training (IVST) to teach police officers to recognize mental illness, de-escalate mentally ill people in crisis, and increase access for these people to services. In IVST applications, students interact with a life-sized video projection that actually changes based on the students statements and decisions. Project 8 will produce six interactive video simulations depicting mentally ill people in crisis. The IVST will be used in conjunction with lecture and discussion to increase the awareness and proficiency of police officers encountering people with mental illness.	\$78,000	\$173,400	\$251,400	\$0	\$14,400	\$14,400	(\$237,000)	Refer to Attachment A and C.

Center - Renovation will consist of redesigning and reconstructing the space formerly used for medical office suites into space appropriate for individual and group counseling with separate reception and waiting areas for young children and TAY. MD offices will exist within the suite along with rooms for individual counseling and group work. Counseling rooms will be large enough for the client and family members as appropriate.	\$0	\$500,000	\$500,000	\$0	\$500,000	\$500,000	\$0	Refer to Attachment A.
DTMH	Downtown Mental Health Renovation -Renovation will consist of improving the Self Help Center by designing activity and training rooms. The current space consists of one large activity room and a coordinator's office. The remodeled space will have a computer training room, and several activity rooms to allow multiple groups to be simultaneously.	\$0	\$313,000	\$313,000	\$0	\$313,000	\$313,000	\$0	Refer to Attachment A.
MCC	Multi-Cultural Center Renovation -The renovation will consist of improving the space for the Multi-Cultural Center (MCC). The MCC will offer a welcoming, accessible and safe place where members of all ethnic communities can find a sense of cultural resonance, belonging and support. The MCC will be open to ethnic events and celebrations, creating a natural place for community members to congregate, and where conversations about mental well-being can be inserted and approached within appropriate cultural contexts and languages.
