- Committee to Review MHB Subcommittees: Structure / Integration of MHD/DADS Update
  - The Mental Health Board of the County of Santa Clara is composed of members of the community at large, clients, mental health professionals, and family members of clients of the mental health system
  - The objective of the group is to focus each subcommittee's work so that the subcommittees can bring recommendations to the SCC Mental Health Board in order to provide input to the SCC Mental Health Department and/or make specific recommendations to the SCC Board of Supervisors.
    - Part A – Each subcommittee submits 1 – 3 topics on which to focus on for the upcoming year.
    - Part B – to use the topics as a framework for presenters to help structure meetings.
  - Presentations/Meetings will focus on the following categories: Introduction, Performance Quality Improvement Data, Integration, Affordable Health Care Act, and Budget.

To refer parts A/B of the ADHOC Committees recommendations (see handout) to the MHB-EC
