What are the requirements for referral and staying at New Haven Inn?

People wishing to stay at New Haven Inn must:

- 1) Be literally homeless, or fleeing domestic violence
- 2) Complete an intake form and meeting

Walk-in clients will not be accepted.

According to the 2017 Santa Clara County Homeless Census and Survey, there are 7,394 homeless individuals in Santa Clara County. Twenty-nine percent (29%) or 2,145 of survey respondents identified as Lesbian, Gay, Bisexual, Transgender or Queer/Questioning (LGBTQ).

Through testimonies provided at legislative hearings and community meetings, members of the LGBTQ+ community have shared experiences of feeling unsafe and underserved within the current homeless shelter system because of their identity.

To address this, New Haven Inn provides LGBTQ-sensitive and knowledgeable staff to assist LGBTQ+ persons with immediate and longer-term services to secure permanent housing and achieve self-sufficiency.

It's your life. It's your move.
