Fax (408) 998-1535

The **System of Care Program** targets **high-risk youth** involved in the **social services agency** and the **probation department**. Services include:

- **Intensive services** (multiple times a week, as needed)
- **Mental Health services** (individual counseling, family counseling, case management services) that utilize Evidenced Based Practices
- **Support for the child/youth and their family**
- **Access to psychiatric services and medication support**
- **Community-based services** (sessions take place at client's home, school, or other community site as needed)
- **Linkage to community services** (per client's needs; i.e. link to community service hours, family assistance, school based services, etc)
- **Opportunities to take part in groups including:**
 - Making A Choice Group (MAC Group)- focusing on anger management and making healthy choices
 - Survivors- a support and psycho-educational group for survivors of sexual abuse
 - Supporters of Survivors- a support and psycho-educational group for the parents/caregivers of youth who were sexually abused
- **Strength-based treatment in order to help clients improve their daily functioning**
- **Cultural competent services** (provided in both Spanish and English)
