

Motion:

That the FAC recommends that the MHB approve the following:

On behalf of the SCC MHB, the MHB directs the chair and co-chair of the FAC prepare and send a letter to all SCC public school superintendents referencing State Superintendent Tom Torlakson's recent letter regarding SB187 School Safety Plans and suicide prevention and offer available resources, including:

- sample district policy and administrative regulation language regarding suicide prevention and available resources for school sites
- the availability of free on-line QPR training for all school staff in Santa Clara County, which could address the awareness training component mandated by SB187
