

**Community
Health and
Wellness**

**Employee
Engagement**

**HIGHEST
QUALITY**

Provide highest quality of care.
Patients are involved managing wellness instead of only treating illness.

**EXCELLENT
SERVICE**

Set the standards for service to members and patients. Every contact counts

**BEST
VALUE**

Provide affordable, high-quality health care services to improve the health of the communities we serve and to maintain market share.

**People We Serve
&
Communities**

Every employee counts.
The work environment is about respect, collaboration, inclusion and mutual trust.
Each person engages full range of skills, experience and abilities to continually improve service, care and performance

**GREAT PLACE
TO WORK**

Become a Provider of First Choice
