N=777

RISC

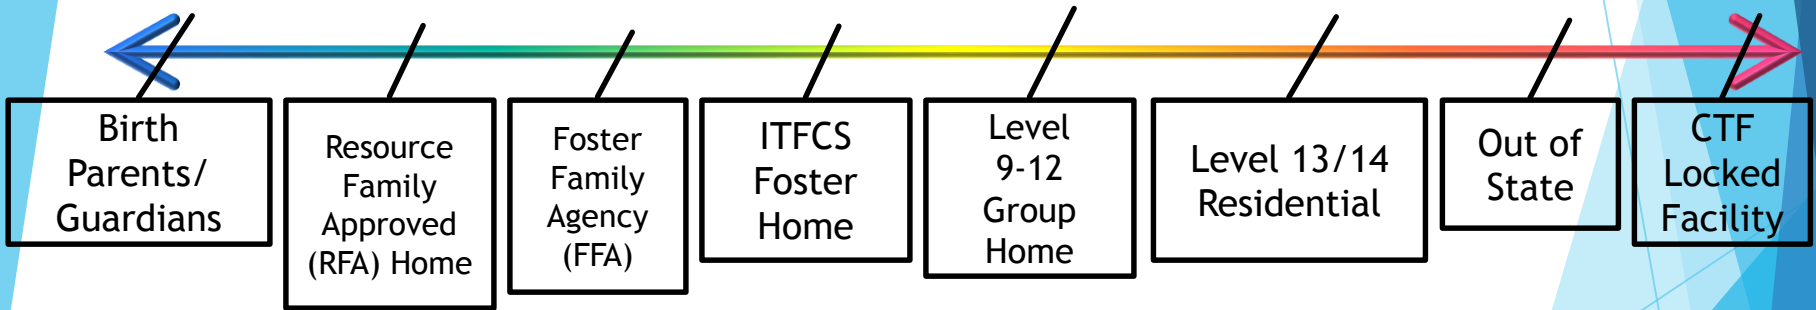

- ▶ **RISC =Resources and Intensive Services Committee**
- ▶ Purpose- to streamline the process of referring children & families to intensive residential and in-home treatment programs.
- ▶ Interagency decision making committee including:
 - ▶ Department of Family & Children's Services (DFCS)
 - ▶ Juvenile Probation Department (JPD)
 - ▶ Behavioral Health Services (BHS)

Continuum of Care

Placement

Least Restrictive

Most Restrictive

Wraparound

- ▶ What is wraparound?
 - ▶ Designed for high risk children with the most complex needs.
 - ▶ Without intensive, individualized, community-based services would be removed from their homes & placed in traditional residential or group home settings.
 - ▶ Family driven- Relies on the family as the expert in their own lives

Wraparound continued

- ▶ Approach is family centered, individualized, culturally competent, & strength based
- ▶ Creating an individual & unique plan to meet the family's needs
- ▶ Strong partnerships between family, community, & professionals
- ▶ Helps the family enhance natural supports within their family & community

Wraparound Providers

- ▶ Wrap is available to DFCS & JPD youth
- ▶ 4 providers in this county:
 - ▶ Uplift Family Services- **UPLIFT**
 - ▶ Rebekah Children's Services (RCS)- **Compadres**
 - ▶ Seneca- **Connections**
 - ▶ Starlight- **Teammates**

When to consider Wraparound:

- ▶ Demonstrates impairment in:
 - ▶ Self Care
 - ▶ School functioning
 - ▶ Family Relationships
 - ▶ Community functioning
- ▶ Placement is at risk due to behaviors
 - ▶ Child must be at home with parents or in a relative, NREFM, foster home setting
- ▶ Child is exhibiting behaviors that are interfering with placement

Wraparound Cont...

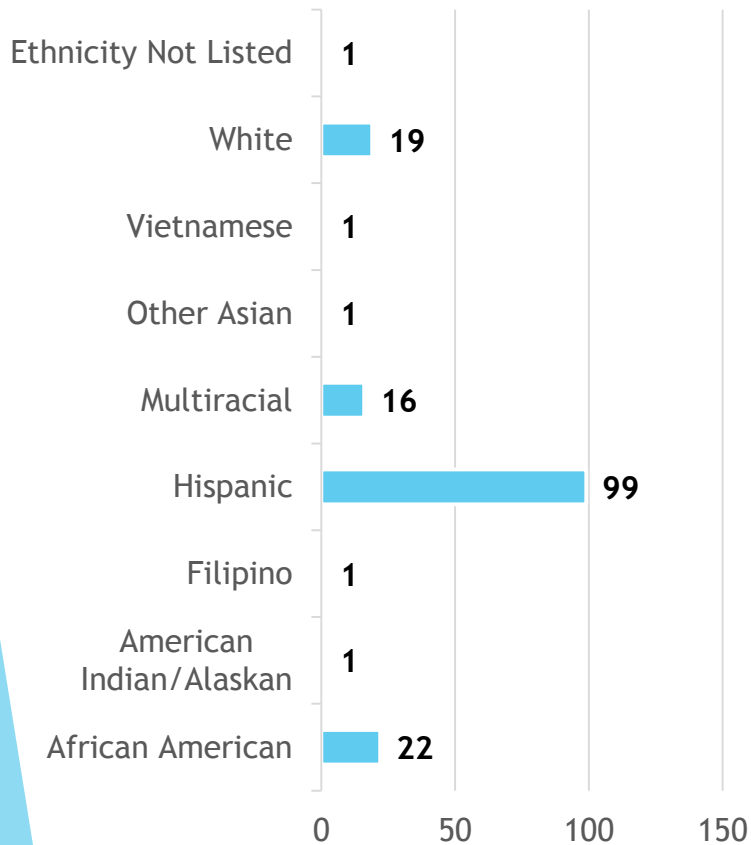

- ▶ Child must have full scope Medi Cal
- ▶ Must be a dependent
- ▶ Must be over the age of 5
- ▶ Wrap provides services within a 90 mile radius of San Jose (but services will be limited based on distance)
- ▶ Level 10/11 Wraparound
 - ▶ Do not need a diagnosis
- ▶ Level 13/14 Wraparound
 - ▶ Need a DSM Diagnosis
 - ▶ If child is receiving mental health services, then the child has a DSM Diagnosis

Who is on the team?

- ▶ Facilitator- facilitates the team/main contact
- ▶ Family Specialist- focuses on the child
- ▶ Family Partner- supports the parent/caregiver
- ▶ Social Worker
 - ▶ Must attend minimum of 1 team meeting per month
- ▶ Child's Caregiver
- ▶ CASA
- ▶ Family/Child/Friend
- ▶ Community Members
 - ▶ identified by family
