(408) 885-3723

The ASIST workshop is for individuals who want to feel more comfortable, confident and competent in helping to prevent the immediate risk of suicide. Participants will learn how to recognize and assess the risk of suicide, how to use an effective suicide intervention model, and how to define and maximize community resources.

Training is open to those who live/work in Santa Clara County.

Training led by an experienced ASIST Training Team.
